Jackrabbits Advance to Second

Defying odds and making history, the 2008 women's soccer team garnered national attention with a 1-0 win over the No. 14 ranked and fourth seeded Colorado Buffaloes in the first round of the NCAA College Cup. The win marked with first-ever NCAA postseason victory for SDSU and the first time a team from the Summit League had advanced to the second round of the tournament.

Senior forward Kellyn Farrell scored the games only goal after picking up a deflection off a Buffaloes defender and beat the charging Buffaloes goalkeeper low and away.

Round of NCAA College Cup

The Jacks would later fall in the second round to host school Minnesota 2-0.

SDSU began their magical run by winning a share of the Summit League regular season title with a 7-1 record. SDSU qualified for the conference tournament and defeated IUPUI and Oakland, earning the league's automatic bid to the national tournament. The Jackrabbits ended thier season with a 15-5-1 record, the best in school history.

2009 South Dakota State Women's Soccer

Seniors Jess Heine and Dani Pappas describe the "Jackrabbit Family."

"Having your teammates there to share in your struggles and successes is what family is all about. They will be there for a shoulder to cry on when everything seems to be going wrong. They will be there to make you laugh so hard you fall to the ground. They will be there sweating with you at practice. They are your family away from home and would do anything for you as you would do for them. Your teammates will remain part of your family for the rest of your life and all of the memories will never be forgotten."

- Jackrabbit senior Jess Heine

"Creating a family in this turbulent world is an act of faith, a wager that against all odds there will be a future, that love can last, that the heart can triumph against all adversities and even against the grinding wheel of time." **-Dean Koontz**

"When I first arrived at SDSU four years ago, the biggest aspect to the team chemistry was the family feel. Having this brings the team together and we've had so many memories! We do much more than share the field during practice and games, we share our struggles and happiness. Teammates are there to make you laugh and are there for a shoulder to cry on. This program is truly a family."

- Jackrabbit senior Dani Pappas

2009 South Dakota State Women's Soccer

What others are saying...

"Playing soccer while attending SDSU transformed me in all aspects of my life. I grew as a person, not only physically, but also mentally, emotionally and spiritually. It taught me how to work with others on a team, overcome adversity and be accountable for my mistakes and persevere."

- Molly Scharfenkamp (2001-04)

"The players on the team are the people I trust with my inner most secrets. They are the ones who will love you no matter how many times you fail. They are the people in your life that truly love you for who you are. They are the sisters that help guide you through life and help you become who you are meant to be."

- Sophomore Kayla Braffet

"When I was on my college search, I was looking for a school that had a competitive atmosphere, an academic challenge, and a place where I can grow not only as a soccer player, but a successful person. SDSU had all of these things, and I felt like I was right at home when I stepped foot on campus."

- Freshman Christa Nyblom

*Past, present
and future
Jackrabbits
share their
thoughts and
experiences
on the SDSU
soccer program.*

"My years playing for SDSU have meant more to me than just the game nights at Fishback Soccer Park. It taught me discipline, teamwork, commitment, time management, responsibility and respect. I will never forget the triumphs over adversity, friendships built with my teammates and most of all, winning the conference championship. It will always be something that I can look back on and be proud of."

- Maggie Eilers (2002-06)

Playing soccer at South Dakota State was an experience that could never be duplicated. Throughout my five seasons I had the opportunity to step on a field and play with 10 others girls that I knew would do anything in their power to win a game. There was sweat, tears, scars, injuries, and much more that paved the path to victory, but in the end each bump and bruise was well worth it. South Dakota State was a home away from home. My teammates were my sisters and my coaches were my guardians. As expected, there were ups and downs with my teammates, as I have had with my true sisters, but we all had the same ultimate goal in mind, high expectations for each other that caused our team to grow stronger and better each day.

-Vanessa Paswaters (2004-08)

"I chose SDSU because I knew that I could get a great education here. I also felt really comfortable with the soccer team and coaches on my visit. Both the team and the coaches are committed to being the best that we can be."

- Freshman Courtney Higgins

Vision, Mission and Values

South Dakota State Athletic Department

Every undertaking of South Dakota State University is driven by a common force — a relentless commitment to excellence. Within the athletic department, excellence is measured by much more than wins and losses. We are committed to providing each and every student-athlete with a comprehensive collegiate experience that is second to none. Every decision that guides our program is made with the student-athlete in mind. Is athletic achievement important? Yes, because it is the fundamental purpose of the student-athlete experience. Is social responsibility a vital component? Yes, we expect to contribute to the well-being of our campus, community, and state. How about positive student-athlete experiences and competitive success? Those also define our program because they are integral to the student athlete's growth. That is what it means to be student-centered, and why our vision is:

VISION: To be a premier student-centered collegiate athletic program.

How will SDSU athletics achieve that vision? By working tirelessly to create a special place where student-athletes who share our drive and determination can develop life skills that lead not only to athletic success, but pave the way for victories long into their lives. The important work of creating that setting is the heart of our mission:

MISSION: To passionately and relentlessly create an environment, rooted in sportsmanship and ethical conduct, where motivated student-athletes can develop into lifelong champions.

To be a lifelong champion, one must maintain a discipline of taking the highest road. Similarly, SDSU is guided by a stringent value set that will not be compromised:

VALUES: Honesty, equity, academic integrity, fiscal integrity and social responsibility with the expectation of competing at the highest level.

2009 Jackrabbit Season Preview

2009 South Dakota State Women's Soccer

Season Preview

Coming off a highly successful 2008 campaign, the Jackrabbits are looking to build on their recent success for the 2009 season. A task that won't be easy due to the departure of a large senior class to graduation.

"After an exhilarating run last fall, I feel we are primed to do it all over again. Replacing nine seniors who have combined for an enormous chunk of minutes played over their careers certainly won't be easy, but I'm confident we have the talent to do as well or better than in 2008," said head coach Lang Wedemeyer.

The 2008 season was certainly one for the record books. In just their first season of Division I postseason eligibility, the Jacks advanced to the second round of the NCAA College Cup. At the College Cup, they posted the biggest victory in the program's history by defeating No. 14 ranked and fourth seed Colorado Buffaloes 1-0. The win was the first NCAA postseason win in SDSU's history and also the first win for a Summit League team in the College Cup. The Jacks would later fall in the second round to Minnesota but not before garnering national attention.

To begin the season, the Jacks stumbled out of the blocks with a 2-3 record before rebounding to rattle off 10 wins in a row, securing a share of the Summit League regular season title and a No. 2 seed for the conference tournament.

At the conference tournament, the Jacks defeated IUPUI and Oakland, earning the Summit's automatic bid to the NCAA College Cup.

The Jacks finished with a 15-5-1 overall record and 7-1 in the Summit League including a school-record 11 shutouts.

The 2009 season brings a lot of excitement to the team with so many athletes vying for a starting roll. Ten athletes played in at least 14 games during the 2008 season, including four returning starters. The Jacks also welcome a solid recruiting class featuring seven young women from across the Upper Midwest, their first player from Texas and their first Canadian product.

"We certainly have a deep and talented recruiting class that should lend to a high quality training environment," said Wedemeyer.

Outlook

In 2009, the Jacks return plenty of firepower and athletic ability to keep pace with anyone in the conference and welcome a stellar incoming class. The biggest problem may be fitting the right players into the puzzle.

"Overall, there is a lot of talent returning and incoming. One pressing issue will be getting players into the right positions with the right combinations of players sooner rather than later," said Wedemeyer. "But our number one priority is to build their belief that they can accomplish similar, if not greater feats than the 2008 team."

If the Jacks find the right combination of players early in the season they will be in for a special run and a chance to once again represent the Summit League in the NCAA College Cup.

Forwards

Of all the positions, SDSU returns much of its experience to the forward position. Despite losing all-conference performers Kellyn Farrell and Erin Kasmarik to graduation, the Jacks return three of the top five scorers from last season.

Sophomore Kelsey Ferguson had a breakout freshman season scoring five goals and two assists for 12 points. For her efforts, she earned Summit League's all-Newcomer Team honors.

The Jacks also return sophomore Kayla Braffet and juniors Danni Healy and Tory Schiltgen. Healy and Braffet combined to score 17 points on six goals and five assists last season while playing in every game last season. Healy also owns a .273 shot percentage for her career.

"Our forward line brings back the most experience of anywhere on the field," said Wedemeyer. "We will certainly rely upon this through the initial portion of the season. We were very balanced in the scoring department last year and I believe that was one of our great strengths going into the postseason."

Newcomers to the position will be Aimee Fiedler and Courtney Higgins. Wedemeyer describes them as having good speed and excellent one-on-one ability to push the other players. Meaghan McArthur is also coming back from injury this year

and has the ability to play on the left or right side.

The Jacks run deep at the forward position this season with many weapons to choose from. Braffet, Ferguson and Healy all have the potential to be all-conference athletes for the Jacks in 2009. Look for the Jacks to continue plenty of goal scoring and an exciting, attack-minded style of play for the upcoming year.

Midfielders

Graduation was particularly hard on the midfielders for the Jacks, yet SDSU will remain strong at that position.

With a year of experience under her belt, Cori Bonte will be a likely candidate for the starting role along side junior Emily Quigley. Both saw action in nearly every game last season and have the athletic ability to get the job done.

Junior Kaitlin Justice moved from her forward position to an attacking mid this spring. Despite scoring only one goal last season, Justice tied for the team lead her freshman year with five goals and an assist in 2007.

"Cori, Emily and Kaitlin all had solid spring seasons and should filter into our midfield this fall," said Wedemeyer.

Others fighting for a spot are Dani Neuhaufen and newcomers Kourtney Frank, Brittany Sipp and Christa Nyblom.

Again, the Jacks have been depleted but have plenty of spark to fill the gaps this

Danni Healy scored three goals and three assists each of the last two seasons. She looks to lockdown a starting role in her junior season at the forward position.

Season Preview

season. Bonte and Quigley earned minutes last season with consistent play. Justice adds another element from the attacking mid position with the ability to find the back of the net from 25 yards out while also playing gritty defense in the midfield.

"We definitely will have good depth at the midfield position this fall with multiple new players who can fit in nicely with our returners," said Wedemeyer.

Defenders

Returning starters Jess Heine and Steph Peterson will no doubt anchor the Jacks defense in 2009, a position that could also feature a few new faces.

Heine started 18 games for the Jacks last season, ranking fifth in minutes played. She was also 1-1 on penalty kicks and is a perfect 2-2 in her career. Expect Heine to step up as a leader on and off the field this season for the Jacks.

"Jess has the most experience of any returning player. We will lean on her a lot to lead the team this year both on and off the field," said Wedemeyer.

Peterson is an up and coming talent for the Jacks in the back. After playing sparingly the first three games of the season, Peterson was inserted the lineup. Since her addition, the Jacks allowed only 11 goals through their final 18 games that included 11 shutouts. At the end of the season, Peterson was named to the Summit League's all-Newcomer Team as voted on by Summit League coaches.

"Steph stepped into every position on the back line last year and had an all-conference season," said Wedemeyer. "We'll certainly look to her to solidify our back line."

Slated to be an outside back in the fall, sophomore Kelli Herman has had a great spring and should win a starting role in 2009. In 2008, Herman was a solid spark off the bench playing in 14 games, mostly in the midfield and forward positions.

Other athletes shooting for a starting role are returning junior letterwinner Jo Janckila. Junior Elizabeth Nagelhout and sophomore Lexy Drayton are coming off of injuries in 2008 and should fight for playing time as well.

Incoming freshman Stéphanie Bérubé is the first athlete from Canada to play on the Jacks soccer team. She shows promise as a center back but will have to prove herself more worthy than a few returning Jacks.

"Replacing so many of our defense will certainly be a challenge, but having players like Bérubé, who has great experience at the Canadian provincial level, should make things a bit easier," said Wedemeyer.

Goalkeepers

By far one of the most interesting races taking place on the 2009 soccer team is at the goalkeeper position. Looking to take the reigns from longtime starter Niki Lograsso are senior Danni Pappas, sophomore Brie Rogers and

incoming freshman Shelby Buttron. According to Wedemeyer, all have potential to earn the spot.

Pappas played just 35 minutes behind first-team all-conference performer and current assistant coach Lograsso last season in a 5-0 win over Centenary last season. In 2007, Pappas appeared in four games, allowing two goals and making nine saves, producing a 1-1 record all-time with a 0.67 goal-against average.

"Pappas had a very solid spring season and is primed to give her best in her senior season," said Wedemeyer.

Rogers is coming off a redshirt year in 2008 as the Jacks third goalkeeper. In 2007, Rogers appeared in five games, allowing five goals and making 13 saves. She produced a 1.67 goal-against average and a 1-1 record with a shutout.

"Brie is back into full swing after training this spring and summer and should be ready to put up a great challenge for the starting spot," said Wedemeyer.

Incoming freshman Shelby Buttron is also fighting for time in net for the Jacks.

"Shelby Buttron has a great keeper's build, soft hands and a good kicking game," said Wedemeyer. "I'm really excited to watch the ladies battle this fall."

Overall, Wedemeyer is excited to see how the race pans out this season. All three have the tools and the ability to lead the Jacks defense from the back.

Schedule

The South Dakota State women's soccer team and head coach Lang Wedemeyer put together a 20-game schedule for the 2009 season that includes two NCAA College Cup qualifiers from a year ago.

The non-conference portion of the schedule features four Missouri Valley schools (Northern Iowa, Drake, Missouri State and Creighton), two from the Big Ten (Minnesota and Iowa), two from the Big 12 (Kansas and Iowa State) and the University of Mary, where assistant coach Brock Thompson was a head coach from 2001-2003.

In 2008, Kansas and Minnesota received at-large berths to the NCAA College Cup.

The Jackrabbits will play nine conference games with UMKC competing in women's soccer for the first time during the 2009 season.

"Once again, we have put together a very challenging schedule," said Wedemeyer. "We always have the goal of playing as many of the top programs in the region through our non-conference schedule to stretch us, push us, and to prepare our team to perform their best while competing for another Summit League championship."

SDSU will also host the 2009 Summit League tournament in Brookings at Fishback Soccer Park on Nov. 6 with the championship held Nov. 8.

Jess Heine, a four-year starter for Lang Wedemeyer on the backfield, started 17 games last season and recorded a goal. Heine will also holds down the penalty kicking duties for the Jacks, a duty not typically assigned to a defender.

Excellence Starts Here

When starting a new program, many schools will allow for a grace period before evaluating the success of that program. South Dakota State University did not have to wait long before it was able to start compiling a list of accomplishments that its lone women's soccer coach, Lang Wedemeyer, has amassed in his nine-year tenure at South Dakota State University.

In 2008, Wedemeyer led the Jackrabbits to a 15-5-1 record in their first year of eligibility for Division I postseason play that included a trip to the NCAA College Cup. After winning the Summit League's regular season title with a 7-1 record, the Jacks went on to win the conference tournament, earning them a trip to the College Cup.

Wedemeyer's team drew 14th ranked and fourth seeded Colorado Buffaloes in the first round of the Cup in Minneapolis, Minn. The Jacks jumped on the board early and held on to a 1-0 win. It marked the first NCAA postseason victory for SDSU and was also the first time a team from the Summit League won a game at the College Cup.

The win garnered national attention in the soccer world and created a buzz throughout SDSU and the state. For his efforts, Wedemeyer was selected at the Soccerbuzz.com runner-up coach of the year and was named the South Dakota Sports Writers Women's College Coach of the Year at their annual banquet. That season he also coached six Summit League all-conference selections, two all-newcomer team selections, the Summit League's Defensive Player of the Year and an Academic All-American along with numerous other athletic and academic honors.

From The Ground Up

Nine years ago, Wedemeyer started at SDSU with the task of building an NCAA Division II women's soccer program. His first roster of 19 included just six women who had any collegiate experience, six freshmen, and a mix of seven others, including four that had played club soccer at SDSU in 1999. The roster was put together in just six months before the inexperienced Jackrabbit team took to the field for its inaugural season. In 2000, SDSU posted a 5-12-0 record, including a 1-8 record in the North Central Conference.

Youth Lead SDSU to Postseason Berth

The following season the Jacks welcomed a freshman class of 14 to its roster. Although the team was young in age, they were able to post the best record in SDSU history as Wedemeyer marched his second-year program into the North Central Conference's four-team postseason tournament with a 13-6-1 record. For his efforts, Wedemeyer was named the North Central Conference Coach of the Year following his 2001 campaign.

After finishing the 2002 season with a 10-8-0 record, SDSU missed the postseason, struggling with a 2-6-0 record through the conference portion of its schedule.

In 2003, the Jacks rebounded with their third consecutive winning season. After posting an 8-5-6 overall record and a 2-2-3 record in NCC action, the Jacks were back in the postseason for the second time in three years. Behind the net-minding skills of senior Erin Miller, Wedemeyer's team posted the fifth lowest goals-against average in Division II. Miller later became the first player in SDSU history to be named North Central Conference Player of the Year. She was also the first Jackrabbit soccer player to be named an All-American, earning second team honors.

Head Coach Lang Wedemeyer

Old Dominion '94 • Tenth season at South Dakota State • 78-72-17 overall record

SDSU Makes Transition to Division I

After leading the four-year-old program to a 36-31-7 record, South Dakota State decided to take its athletic department to the Division I level, leaving Wedemeyer with the task of recruiting players into a program that was not eligible for the NCAA postseason and was without a conference affiliate.

Wedemeyer accepted the challenge even though it came with its low points. The program returned to where it was just three years earlier, posting a 5-11-1 record during its first season at the Division I level. Although the wins were not rolling in as quickly any more, SDSU was making solid strides. The program faced 10 new opponents during the 2004 season and saw 11 Division I opponents. Five games into the season, the Jacks earned their first Division I win with a victory over Western Illinois, 2-0, at the Diadora Classic in Omaha, Neb., on Sept. 12.

In 2005, the team recorded another five-win season, posting a 5-12-1 record in its second year of Division I play. The Jacks recorded Division I victories over Northern Iowa, Montana and Murray State, while also holding Big 10 member Minnesota scoreless on Sept. 11.

Wedemeyer Leads Jacks to First Title

South Dakota State joined the United Soccer Conference for its 2006 campaign. After starting the season with wins over Northern Iowa and Northern Illinois, the Jacks were holding their heads high with a 3-1-1 record through five games. However, SDSU struggled through the middle portion of its schedule. The Jacks went 0-7-1 in their next eight games, scoring just one goal during that stretch. Four of those losses were by scores of 1-0 and the Jacks knew the season was not over yet.

Over the course of the final seven games of the season the Jacks posted a 5-1-1 record, which included a 2-0-1 record in the United Soccer Conference tournament to claim the USC championship. During SDSU's three tournament games, goalkeepers Nicole Lograsso and Jenn Davis combined for three straight shutouts.

The conference tournament title was the first for SDSU at any level and especially a nice reward for Wedemeyer after starting a program from scratch and leading it to a Division I conference title.

A New Home For SDSU Athletics, Soccer

The 2007 season marked the first year for SDSU as a member of The Summit League. In 2008, the Jacks become a full Division I member and eligible for NCAA postseason competition.

Outside of South Dakota State

In addition to starting the women's soccer program at SDSU, Wedemeyer has also been involved in other aspects of the South Dakota and national soccer community. He is a National Soccer Coaches Association of America regional director, overseeing all the coaching certification in South Dakota, North Dakota, Minnesota, Nebraska, Wyoming and Colorado.

Wedemeyer is currently a NSCAA National Staff Coach and regional technical director. He has traveled throughout the country conducting coaching certification and running clinics over the past nine years.

In the summer of 2002, Wedemeyer added another title to his list of coaching credentials as he served as a coach for the Olympic Development Program Region II teams in the 1987, 1990 and 1993 age group teams, taking them on trips to Germany and Holland. He recently coached the 1993 regional team against the Netherlands U15 and U17 national teams and the Belgium U17 national team. Wedemeyer will be the head coach of the 1993 team this year where he will take the team to Portugal in the spring of 2010.

Prior to SDSU

Wedemeyer joined the SDSU staff in 2000 as the first coach in women's soccer history. Before taking his current post, Wedemeyer was the director of coaching and women's coordinator for the Roanoke Valley Youth Soccer Club. His three-year tenure as the club's assistant executive director included overseeing all 28 teams and their coaches.

One of the youngest coaches in the United States to obtain all levels of coaching certification, Wedemeyer holds nine professional soccer coaching licenses, including a United States Soccer Federation "A" license and the NSCAA Premier diploma.

While working on his master's degree at Old Dominion, Wedemeyer served as an assistant coach for the men's soccer program.

Playing Career

Wedemeyer began his collegiate playing career at Virginia Tech University, where he was voted the 'Hokies best defensive player two years in a row. He later transferred to Old Dominion University (Va.), where he captained the team and earned second-team academic All-America honors in 1994.

Wedemeyer also has extensive professional playing experience in the United Soccer Leagues. He played three years for his hometown Roanoke Wrath before playing with the Sioux Falls Spitfire at the beginning of the team's first season in 2001.

Assistant Coaches

Brock Thompson

University of Mary '00 • Assistant Coach • Second Season

In his first season at SDSU, assistant coach Brock Thompson helped guide the Jackrabbits to a 15-5-1 record including a Summit League regular season and conference tournament championships and a second-round appearance in the NCAA College Cup. After earning the league's automatic bid, the Jacks upset No. 14 and fourth seeded Colorado Buffaloes 1-0, before falling in the second round to Minnesota.

Thompson joined Lang Wedemeyer's coaching staff in 2008 after compiling a 61-36-7 career record over three seasons at Mary (2001-03) and three years at North Dakota (2005-07). He led Mary to NAIA Region III championships in 2002 and 2003 and berths in the NAIA National Tournament.

In his first season at UND, Thompson was named North Central Conference Coach of the Year after leading his squad to a 12-5-1 record and a berth in the 2005 NCAA Division II Tournament. He stepped down from his coaching post following the 2007 season to become UND's director of compliance.

A native of Blair, Neb., Thompson was a three-time team most valuable player for the Mary men's soccer team, earning honorable mention All-America honors as a senior. He stayed on as assistant men's soccer coach until being named women's soccer head coach in 2001. The 2002 National Soccer Coaches Association of America Midwest Senior College Coach of the Year, Thompson left Mary in 2004 to become an assistant coach at Indiana State, while pursuing a master's degree in sport management.

Thompson also has extensive coaching experience at the club and high school ranks. He won three state titles as head girls' soccer coach at Century High School in Bismarck, N.D., from 2000-04 and was director of coaching for North Dakota Youth Soccer from 2002-04. In addition, he served as regional staff coach for the Region II Olympic Development Program from 2003-05 and 2009.

Nicole Lograsso

South Dakota State '10 • Student Assistant • First Season

Niki Lograsso joins the South Dakota State University coaching staff as a student assistant, working specifically with the goalkeepers, after a record setting career in net for the Jackrabbits from 2005-2008.

"It is great to have one of our players returning to be an assistant coach," said head coach Lang Wedemeyer. "Niki was a phenomenal goalkeeper and now will help us develop our next generation of players. She will enhance our staff not only with our keeper training, but in every facet of our program."

A native of Ames, Iowa, Lograsso anchored the Jacks first Division I postseason run to the NCAA College Cup where they upset Colorado in the first round.

Lograsso was a two-time all-Summit League first-team selection and a two-time Summit League defensive player of the week. Also excelling in the classroom, Lograsso was twice named to the fall academic all-league team and the 2007 Summit League's Commissioners's List of Academic Excellence.

In her time at SDSU, she holds four school records including: shutouts (20), saves (269), wins (30) and minutes played (5,058). She also ranks second in save percentage (.841) and goals-against average (0.91). Lograsso also holds single-season records in wins (15), shutouts (10) and minutes played (1906).

A physical education major at SDSU, Lograsso is scheduled to graduate in the spring of 2010.

2008 (Junior)

Saw action in 18 games while starting in 17 ... played a season high 105 minutes in the season opener at Creighton ... had her only goal of the season on a penalty kick in 3-0 win against Western Illinois (10/3)... member of the defensive unit that accumulated a school record 10 shutouts... was an NSCAA/Addidas Scholar all-Central Region honorable mention selection and a member of the Summit League Academic all-League team.

2007 (Sophomore)

Started all 17 games for the Jacks... recorded the first goal of her career against Oakland (9/7)... the second goal, the game winner, came in a 4-1 win against IPFW... only fired five shots from her defensive position, but put four on goal for an .800 shot-on-goal percentage... Was second on the team in minutes played (1,525)... member of the Summit League Academic all-League team and the Summit League's Commissioner's List of Academic Excellence.

2006 (Freshman)

Started 14 games at the defensive position... recorded seven shots including two on-goal... Had a single-game, career-high two shots in a 3-0 loss against IUPUI (9/10).

Before SDSU

Earned first-team all-state honors in her senior season at O'Gorman High School in Sioux Falls after earning second-team recognition as a sophomore... played club soccer for the Dakota Gold Impact, which has won five state championships... also competed in basketball and track at O'Gorman.

2008 (Junior)

Played 35 minutes against Centenary and did not record any stats (10/10)... member of the Summit League Academic all-League team.

2007 (Sophomore)

Played in four games, starting two of them for the Jacks... Allowed just one goal and made two saves 45 minutes of action in a 2-0 loss at Drake (9/28)... In her first start of her career against IPFW (10/5), didn't allow a single goal in 45 minutes of work... In Pappas' second start she made 2 saves and didn't allow a goal against IUPUI (10/7) in 45 minutes... Allowed just one goal and made four saves in a 7-1 rout of Utah Valley (10/14).

2006 (Freshman)

Did not see any in-game action for the Jacks as the third goalkeeper on the roster.

Before SDSU

Was a four-year letterwinner for two-time state champions Valley High School... member of the Iowa Olympic Development Program... played on six state championship teams at the club level with the West Des Moines Storm squad... also excelled in the classroom as a recipient of the Iowa Academic Achievement Award.

South Dakota State's Record When...

SDSU plays at

Home.....	6-2-0
Away	6-2-1
Neutral	3-1-0

Halftime

SDSU leads at halftime	9-0-0
SDSU trails at halftime	1-5-0
Game tied at halftime	5-0-1

Games decided...

Ties	0-0-1
By one goal.....	10-3-0
By two goals.....	2-2-0
By three or more goals.....	3-0-0

Fouls

SDSU leads.....	9-2-1
Opponent leads.....	3-3-0
Fouls even	3-0-0

SDSU plays in...

August.....	2-2-0
September.....	4-1-0
October.....	6-1-1
November.....	3-1-0

Shots on Goal

SDSU < 5	4-2-1
SDSU 5-9	6-2-0
SDSU 10-14	4-1-0
SDSU 15+	1-0-0
Opponent < 5	8-1-0
Opponent 5-9	6-3-1
Opponent 10-14	1-0-0
Opponent 15+	0-1-0

Shots on Goal

SDSU leads.....	11-2-0
SDSU trails	3-2-1
Shots on Goal even	1-1-0

Scoring

SDSU scores zero goals	0-2-0
SDSU scores one goal.....	7-2-1
SDSU scores two goals.....	5-1-0
SDSU scores three goals.....	1-0-0
SDSU scores four goals.....	1-0-0
SDSU scores five or more goals.....	1-0-0
Opponent scores zero goals.....	11-0-0
Opponent scores one goal.....	4-0-1
Opponent scores two goals.....	0-4-0
Opponent scores three goals.....	0-1-0
Opponent scores four goals	0-0-0
Opponent scores five or more goals.....	0-0-0

Goals

Assisted.....	23
Unassisted.....	8
Penalty	4-1
Overtime.....	1
Off Corner Kick	1

Scoring

SDSU scores first.....	13-0-1
Opponent scores first.....	2-5-0

Record against

Summit League	9-1-0
Missouri Valley.....	2-1-0
Big Ten	1-2-1
Big Sky.....	0-1-0
Big 12.....	2-1-0
Reclassifying NCAA Division I.....	1-0-0

ALL-AMERICAN — Erin Miller transferred to South Dakota State University following a three-year playing career at the University of Nebraska. During her one season at SDSU, Miller posted a 8-5-6 record and a 0.51 goals-against average en route to becoming the first All-American in the programs history. Miller was also named the co-Most Valuable Player of the North Central Conference in 2003.

THE SUMMIT LEAGUE

South Dakota State became the first Summit League soccer team to record a victory in the NCAA Women's College Cup with its first round win over 13th-ranked and fourth-seeded Colorado in 2008.

Now in its 28th year as an NCAA Division I athletics conference, The Summit League continues its renaissance and ascent both on the playing field and in the classroom. The 2008-09 academic year saw the league reach numerous milestones among its 10 member institutions and 19 championship sports.

The Summit League made history during its 2009 Basketball Championships with record crowds and sponsorship totals in its first season in Sioux Falls, S.D. New attendance standards were established for the entire tournament, the women's tournament and several individual sessions. On the court, the North Dakota State men and South Dakota State women both achieved the rare feat of earning an automatic NCAA bid in their first season of eligibility.

Netting the NCAA's largest men's basketball attendance increase during the 2008-09 season further illustrated the growth and excitement surrounding Summit League basketball. The league ranked 16th nationally, up six spots over the previous year, and increased its crowds at a rate of 30 percent per game.

While basketball played a major part of the league's success, significant Summit League achievements spanned beyond the hardwood.

An unprecedented total of three Summit League teams ended their 2008-09 seasons with a national ranking. North Dakota State's softball team ended the year ranked No. 18 in the ESPN.com/USA Softball poll after capturing the league's first NCAA Regional title in a decade and becoming the first Summit League team to reach the Super Regional round. South Dakota State's women's basketball team earned a No. 19 ranking in the final *USA Today*/ESPN Coaches' poll after peaking at No. 14 during the season and posting a first-round victory in the NCAA Tournament. The Oakland men's soccer team finished at No. 30 in the College Soccer News poll after reaching the No. 24 position earlier in the season and becoming The Summit League's first top-25 soccer squad.

The NDSU softball and SDSU women's basketball teams were just part of The Summit League's postseason success that saw a combined seven NCAA Tournament wins. SDSU notched the league's first NCAA women's soccer tournament victory with a first-round win. Oral Roberts claimed a pair of baseball victories in

the Tempe Regional to finish as runner-up. The Summit League sent two teams to the NCAA Men's Soccer Tournament for the first time since 2003, and the third time in history. Additionally, Oakland's men's basketball team hosted and won its first round game in the inaugural CollegeInsider.com Postseason Tournament.

Individually, North Dakota State's Laura Hermanson recorded the league's best women's track and field finish with a runner-up performance in the 800 meters at the NCAA Outdoor Championships. Also in June, Western Illinois' golfer Kyle Peterman won a qualifying playoff to earn an amateur spot in the 2009 U.S. Open. During the basketball season, Oakland's Johnathon Jones was the NCAA assists leader and became the fourth player in league history, and first in 10 years, to lead the nation in a major statistical category.

In the classroom, a Summit League record 13 student-athletes were recognized as Academic All-Americans, including North Dakota State basketball player Brett Winkelman, who was selected as the University Division Academic All-American of the Year. Oakland basketball player Jessica Pike also garnered a top academic honor for her sport and was named the Division I-AAA Athletics Directors Association Scholar-Athlete of the Year.

Six Summit League teams were bestowed with the NCAA Public Recognition Award, an honor given to teams that have a Division I Academic Progress Rate (APR) in the top 10 percent of all squads in their respective sports. Receiving the accolade was IPFW's men's cross country and volleyball teams, UMKC's volleyball and women's tennis teams, Oakland's women's golf team and South Dakota State's men's golf team.

The achievements during the 2008-09 academic year carried over from the summer when a pair of former Summit League student-athletes gained individual acclaim on the world stage. Former Oral Roberts student-athlete Andretti Bain won a silver medal at the 2008 Beijing Olympics as a member of the Bahamas' 4x400-meter relay team after having claimed both the NCAA Indoor and Outdoor 400-meter titles earlier in the year. Former IUPUI standout George Hill became The Summit League's second NBA first round draft pick when he was selected 26th by the San Antonio Spurs after garnering Summit League Player of the Year honors.

Originally formed in 1982 as the Association of Mid-Continent Universities and later known as the Mid-Continent Conference, The Summit League is in its third year of a rebranding that followed its 25th anniversary and coincided with the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all league student-athletes. Included in the plan was the league's new name, the creation of a new image and the addition of three member institutions.

One of the Summit League's most iconic moments came when Valparaiso's Bryce Drew hit "the shot", a game-winning three-pointer at the buzzer, to top Mississippi in the first round of the 1998 NCAA Tournament. Valpo's story captivated the nation as they became the league's second team to reach the "Sweet 16."

The 10 Summit League member institutions include Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University-Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University and Western Illinois University.

In April 2009, the University of South Dakota accepted an invitation to join the league with full membership during the 2011-12 academic year and will begin as an associate member for swimming and diving in 2009-10. The league has one other associate member, Eastern Illinois University, which competes in swimming and diving.

These member institutions pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championship sports, which include: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's indoor track and field, men's and women's outdoor track and field, men's and women's tennis, and volleyball. The league champion receives automatic bids to the NCAA Tournament in all applicable sports.

Since its inception in 1982, The Summit League has had several transcendent moments on the national stage. In 1986, Cleveland State upset third-seeded Indiana in the first round of the NCAA Men's Basketball Tournament on its way to a berth in the Sweet 16. A decade later, Valparaiso captured the nation's attention when Bryce Drew hit "the shot" to defeat No. 4 seed Mississippi in an NCAA first-round game and spark its Sweet 16 run. More recently, Oral Roberts' baseball program finished the 2004 campaign with a national-ranking and became the first Summit League school to reach the NCAA Super Regionals in 2006.

The league has produced four Olympic athletes, four NCAA champions and several All-Americans in the sports of track and field, swimming and diving and cross country. Numerous professionals and several draft choices have come directly from The Summit League, including three Major League Baseball first round picks, a pair of NBA first rounders and one WNBA selection. Former Summit Leaguers Kevin Duckworth (NBA) and Kevin Seitzer (MLB) each were two-time all-stars during their professional careers.

Recent and historical success coupled with an increased growth among its membership base gives The Summit League a promising future on the landscape of college athletics.

A black and white photograph of the South Dakota State University tower, a tall brick structure with a decorative top, rising above a dense forest of evergreen trees. In the foreground, a stone sign on two pillars reads "SOUTH DAKOTA STATE UNIVERSITY".

South Dakota State University

Founded 1881 • Brookings, S.D.

SOUTH DAKOTA
STATE UNIVERSITY

With a record enrollment of 11,995 students in the fall of 2008, South Dakota State remains the state's largest institution of higher learning.

SDSU Early History

Located in Brookings, the Territorial Legislative Assembly authorized SDSU in 1881 to serve as the state's land grant institution. Territorial Council member John O'Brien Scobey managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school did open in the fall of 1884 because the president, George Lilley, advanced \$500 — one-third of his salary — to finish three rooms in the new Central Building. "Old Central" was soon joined by South (1885) and North (1887), forming the nucleus of campus for a decade and a half.

During the first year of operation, the college only held preparatory classes. College classes started in 1885 with five teachers, 17 freshman and 61 preparatory students.

Growth stayed slow and erratic for many years, but by the turn of the 20th century, 242 students enrolled and by 1990, SDSU enrollment grew to more than 9,000 students.

Colleges Established

SDSU granted nearly 70,000 degrees since its charter in 1881.

The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political & domestic economy and music.

By 1907, the year the name of the institution changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus.

Reorganization into the five divisions that formed the basis for the designation of colleges was completed under President Charles W. Pugsley in 1923.

In 1964, when "State College" became South Dakota State University, the school included six colleges. Now, students can earn degrees offered through eight colleges.

Students can choose from more than 200 majors, minors and options at SDSU with more than 2,500 different course offerings.

Master's degrees can be earned in more than 30 areas, with doctorates available in eight fields.

SDSU also offers degree programs through the South Dakota Public Universities and Research Center in Sioux Falls. The Office of Academic Affairs and Outreach coordinates evening, RDTN, Internet and off-campus courses.

The North Central Association of Colleges and Secondary Schools accredits SDSU, while numerous departments on campus hold accreditation from various other agencies.

SDSU celebrated its 125th anniversary in 2006, a yearlong event that culminated with the 2006 Hobo Day football game.

Over those 125 years, SDSU grew from a campus of 80 acres in 1881 to a 271-acre campus with facilities worth more than \$220 million.

The university owns or leases another 15,000 acres for research throughout the state.

The Printing and Journalism Building — now named

AGGIE SCHOOL CLOCK TOWER—The clock tower sits in front of the Tompkins Alumni Center on the west side of campus. The alumni center is host to many university and alumni functions throughout the year.

The **Coughlin Campanile** (left) is considered South Dakota State University's most recognizable landmark. The campanile's cornerstone was laid on June 10, 1929, by Charles Coughlin and its chimes have called students to classes with its famous Westminster peals ever since.

Anson and Ada May Yeager Hall — underwent a \$2.1 million expansion and renovation project.

Other recent campus construction projects include a \$7 million expansion to Crothers Engineering Hall, the renovation of Solberg Hall and the building of a \$9 million performing arts center, which opened in the fall of 2002.

A new residence hall (Caldwell Hall) and the University Student Union expansion and renovation opened in the fall of 2005, and the Enterprise Institute, located on the southwest corner of campus opened in 2004.

In 2005, SDSU spent more than \$3 million to install new state of the art scoreboards in Frost Arena and at Coughlin Alumni Stadium.

Agricultural Research

The university reaches all corners of the state through the Cooperative Extension Service and the Agricultural Experiment Station, offering service to improve the quality of rural life.

SDSU also sponsors the Center for Innovation, Technology and Entrepreneurship; Engineering Experiment Station, Office of Remote Sensing; Water Resources Institute; Engineering and Environmental Research Center; Animal Disease Research and Diagnostic Laboratory; and Northern Grain Insect Research Laboratory. These

South Dakota State University

You Can Go Anywhere From Here

units help strengthen the university's growing commitment to research and support of state and local economic development efforts. The Northern Great Plains Biostress Laboratory, dedicated in 1993, houses scientists who focus on research aimed at developing new technologies to protect crops and livestock.

SDSU is also one of just five universities to serve as a regional center for the Sun Grant Initiative, which is a concept to solve America's energy needs and revitalize rural communities with Land-Grant university research, education and Extension programs on renewable energy and bio-based non-food industries.

The Harding Distinguished Lecture Series, the F.O. Butler Lectures, the Lusk Lecture and the Amdahl, Schultz-Werth and Griffiths endowments all supplement classroom instruction.

Students can also choose from more than 100 clubs and organizations on campus.

Museums & Attractions

The educational opportunities do not end in the classroom or laboratory, as South Dakota State University houses several facilities, including museums and gardens.

Dedicated in 1970, and expanded in 2000, the South Dakota Federation of Women's Club first envisioned the South Dakota Art Museum in 1949.

The museum's collections include early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera Way Marghab linens.

The State Agricultural Heritage Museum transformed the former Stock Judging Pavilion into a home for exhibits that record and preserve the agrarian heritage of South Dakota.

The 70-acre McCrory Gardens and South Dakota Arboretum, located south and east of campus, provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation.

It is also recognized as an All-American Display Garden, one of only 13 in the nation. In

RESEARCH OPPORTUNITIES—SDSU has the highest involvement of undergraduates in research of any South Dakota public university. The university is large enough to offer the opportunities, yet small enough to foster student-faculty learning opportunities.

1993 McCrory Gardens was designated an All-American Judging Garden to conduct research on annual flowers.

Since 1985, private contributions made many new gardens possible including the Rose, Rock, Centennial Prairie, Iris, True Lily, Mum, Native Prairie Collection, Oak Tree Memorial Garden, All-Red Specialty Garden, Peony Garden, Shrub Rose Collection, and Children's Maze.

In August 1994, McCrory Gardens dedicated the Mickelson Grove Memorial in honor of former governor and Brookings resident George S. Mickelson.

In 1982, they dedicated the area north of the formal garden to the planting and testing of ornamental trees and shrubs. The 45-acre site was designated the South Dakota State Arboretum in 1988.

The arboretum's purpose is to test woody plants needed to protect agricultural fields and livestock from the region's harsh environment, to provide hardy trees to shade our towns and cities, and to test ornamental shrubs for both durability and beauty.

SDSU Horticulture, Forestry, Landscape and Parks Department manage the arboretum and gardens.

McCrory Gardens continues to develop more gardens, tree and shrub collections.

The Coughlin Campanile

South Dakota State's most recognizable landmark may be the 165-foot Coughlin Campanile, the state's largest chimes tower. A climb of 179 steps leads to a panoramic view of the city.

1909 Engineering graduate Charles Coughlin, who later went on to become head of the Briggs & Stratton Corporation, donated the statuesque structure on the west end of campus at a cost of \$65,000.

Coughlin laid the campanile's cornerstone on June 10, 1929. Since then, its chimes call students to classes with the famous Westminster peals.

An alumni-sponsored project to restore the campanile was completed in the summer of 2001.

Named after a former SDSU President, The Hilton M. Briggs Library, the state's largest, opened in 1977 and joined South Dakota's statewide automated library network in 1988. Through the library, users can access holdings from all 10 of the state's libraries, including official documents and more than 1 million other holdings at Briggs.

Adjacent to the campanile, Coolidge-Sylvan Theatre provides a restful, green haven for students since its dedication by President Calvin Coolidge in September 1927.

Over the years the outdoor amphitheater hosted concerts, graduations and inaugurations for university presidents.

Woodbine Cottage, the home of the university president, is a charming example of Queen Anne architecture. Built in 1887 by South Dakota Agricultural College's second president, Dr. Lewis McLouth, the home is crowned by multiple rooflines. The house also served as a women's dormitory, music hall and infirmary.

COOLIDGE-SYLVAN THEATRE—The Sylvan Theatre, located on the southwest corner of campus, is an outdoor amphitheater that has been the site of concerts, graduations and inaugurations of university presidents since its dedication by President Calvin Coolidge in September 1927.

SOUTH DAKOTA ART MUSEUM—The museum is home to several collections, including early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life, and the exclusive Vera Way Marghab linens. The South Dakota Art Museum also has a variety of other exhibits throughout the year.

The Jackrabbits

Two theories exist as to how and why SDSU's athletic teams became known as the "Jackrabbits".

Most believe that the name "Jackrabbits" came from a story and cartoon sketch that appeared in a Minneapolis newspaper following a 1905 football game between the University of Minnesota and South Dakota State College. Many believe that a reporter for the newspaper, knowing of the preponderance of jackrabbits in the Brookings area, wrote that the SDSC team was as quick as jackrabbits. Many people believe that the school adopted the Jackrabbits as its official nickname from that beginning.

The other theory about the origin of the nickname came in The Jackrabbit, SDSU's yearbook. A poem in the 1907 yearbook puts forth the idea that the yearbook is called The Jackrabbit because a group of juniors wished to immortalize themselves by changing the name of the yearbook. Athletic teams followed suit, adopting the nickname.

Prior to the adoption of the Jackrabbit nickname, fans knew the school athletic teams as the Barn Yard Cadets as SDSU was known as South Dakota State College of Agriculture and Mechanic Arts in 1907.

The Jackrabbit can run at speeds of 30-to-35 miles per hour, with bursts up to 45, making it the second fastest animal in North America, second only to the pronghorn antelope, which can run at speeds up to 60 miles per hour.

Jackrabbits are, properly speaking, not rabbits but hares, with longer feet and longer ears than rabbits. Most hares live in open country, whereas rabbits - like cottontails - live in brushy habitats.

Jackrabbits can grow up to two feet long, weigh from six to nine pounds, with ears up to eight inches long. Hares are vegetarians, eating tender herbs in summer, and woody twigs and bark in the winter.

Brookings, South Dakota

Named after W.W. Brookings, who came to the area in 1857. That winter, his legs froze badly

MEMORIAL PARK—Memorial Park, located between DuPuy Military Hall and Briggs Library in the center of campus, honors SDSU students who have served in the armed forces, including Congressional Medal of Honor recipients Capt. Willibald Bianchi and Col. Leo Thorsness. The park was dedicated in the fall of 2000.

WOODBINE COTTAGE—Built in 1887 by SDSU's second president, Dr. Lewis McLouth, Woodbine Cottage serves as the home of the university president. Over the years, the house has also served as a women's dormitory, music hall and infirmary.

enough to force doctors to amputate them. Undaunted, Brookings stayed and eventually became president of the territorial council and a judge in the state supreme court. In honor of his support of railroad construction, and possibly because of his stalwart nature, South Dakota's first locomotive was named the "Judge Brookings."

Situated at the intersection of U.S. Highway 14 and Interstate 29, about 20 miles west of the Minnesota border and 50 miles north of Sioux Falls, the Brookings community of about 18,500 people continues to grow. The community also houses several recognizable companies including Rainbow Play Systems, Minnesota Mining and Manufacturing (3M medical products), Larson Manufacturing (doors and windows), and Daktronics, a leading manufacturer of scoreboards and display systems.

MCCRORY GARDENS—The 70-acre McCrory Gardens and South Dakota Arboretum are located south and east of SDSU's campus. The gardens provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation.

HILTON M. BRIGGS LIBRARY—Shown above is the entrance to South Dakota's largest library, which was opened in 1977 and later joined the state's automated library network in 1988. Through the library, users have access to holdings from all 10 of South Dakota's libraries, including official documents and more than 1 million other holdings in Briggs.

SOUTH DAKOTA AGRICULTURAL HERITAGE MUSEUM—Originally constructed as the Stock Judging Pavilion, the South Dakota Agricultural Heritage Museum is now home to exhibits that record and preserve the agrarian heritage of the state.

SDSU Women's Soccer Media Outlets

Media Information

Credentials - All requests for media credentials for SDSU home soccer games should be directed to the South Dakota State sports information department at least 24 hours prior to the event.

Credentials will be mailed if requests are received a week or more in advance. Otherwise, credentials may be picked up at the Jackrabbit Ticket Office inside the Stanley J. Marshall HPER Center weekdays from 9 a.m. to 5 p.m., or at the Fishback Soccer Park ticket table one hour prior to the start of the event.

Due to limited seating, only working media will be allowed access on a first-come, first-served basis.

The following guidelines apply specifically to Internet sites:

- No more than two people working for the official Web site of the opponent and/or its official conference site will be issued credentials.
- Web sites whose content centers around message boards and chat rooms where users can post anonymous information and/or rumors are ineligible for any consideration for credentials or access.
- Credentials will not be granted to any agency operating sites that are in any way affiliated with gambling, or to freelance or fan-based sites that are not affiliated with a legitimate news-gathering organization.

The final decision for credentials remains at the sole discretion of the South Dakota State sports information department.

Statistics - The South Dakota State sports information office will keep official statistics and will distribute final statistics to teams and members of the media within 15 minutes after the conclusion of a game.

On the Web - The latest Jackrabbit news and updates can be viewed on the Internet at www.GoJacks.com, the official site of South Dakota State University athletics. Box scores, statistics and a game recap will be posted within an hour following the conclusion of a contest.

Interview Policy - Outside of athletics events, interviews with South Dakota State University student-athletes must be arranged 24 hours in advance Monday through Thursday by contacting the SDSU sports information office or the head coach of the sport involved. Please do not contact the student-athlete directly without prior approval — phone numbers of SDSU student-athletes will not be released.

Media members should understand that all return calls will be made collect or via a toll-free number, unless the student-athlete does the interview from the sports information office. Jackrabbit student-athletes will not be available for interviews prior to a contest the day of a game, but will be available for post-game interviews 10 minutes after the conclusion of contests by contacting a member of the sports information staff or coaching staff.

Contact Information

Media inquiries for Jackrabbit soccer should be directed to Chris McKeown, graduate assistant, sports information.

South Dakota State University

Administration

David Chicoine

President, South Dakota State University
South Dakota State University '69

Dr. David L. Chicoine became the 19th president of South Dakota State University on January 1, 2007. He is the third alumnus to serve as president of the institution.

Dr. Chicoine has over 30 years of experience in higher education with the University of Illinois. He is a nationally recognized economist, specializing in public finance, taxation, and rural economics. His higher education administrative experience includes service as Head of the Department of Agricultural Economics and Dean of the College of Agriculture, Consumer and Environmental Sciences, at the University of Illinois at Urbana-Champaign. Serving most recently as Vice President for Technology and Economic Development for the University of Illinois system and interim Vice President for Academic Affairs, Chicoine started his career as an Extension economist and specialist with the University of Illinois Cooperative Extension Service.

As vice president at the University of Illinois, he restructured the university's technology licensing offices, reaching new milestones each year; launched the university's early stage capital and business development services company, IllinoisVENTURES, LLC, that supported start-up projects, securing special state and university funding for operations and pre-seed investing and facilitated the creation of the \$26.5 million early stage Illinois Emerging Technologies Fund; and he oversaw the expansion of research parks and incubators at the university's Urbana-Champaign and Chicago campuses.

As dean, he transitioned the College of Agriculture, Consumer and Environmental Sciences (ACES) from 14 administrative units to seven academic departments and the Information Technology unit; completed a capital campaign for ACES surpassing the final goal of \$115 million by raising \$134 million in private gifts; grew the ACES endowment to \$60

million; established \$15 million in annual private gift support, funding endowed positions, scholarships and fellowships, and program support for teaching, research, and Extension; and he oversaw the completion of the \$22 million ACES Library, Information and Alumni Center where \$11 million was from gifts from ACES alumni and friends.

He has co-authored four books, 12 book chapters and more than 100 invited and/or peer reviewed academic journal articles. Dr. Chicoine served as an advisor to the Illinois General Assembly on tax issues, farmland property tax assessments, public finance and rural economic issues.

He served as a member of the Illinois Governor's Council of Economic Advisors, and was a member of the board of the Illinois State Treasurer's Technology Development Fund. He currently is a tenured faculty member in the SDSU Department of Economics, where he has been recognized as a Distinguished Alumnus.

Chicoine served as the faculty representative to the Big Ten Conference and the National Collegiate Athletics Association (NCAA) for the University of Illinois at Urbana-Champaign. He served as chair of the Budget and Finance Committee for the Big Ten Conference for nine of his eleven year term.

Dr. Chicoine is a graduate of SDSU with a B.S. in agribusiness in 1969, and the University of Delaware where he received an M.S. in agricultural economics in 1971. In 1978 he received an M.A. in economics from Western Illinois University, and in 1979 he completed his Ph.D. in agricultural economics at the University of Illinois at Urbana-Champaign.

Justin Sell

Athletic Director, South Dakota State University
Bowling Green University, '91

Justin Sell became the 12th director of athletics at South Dakota State on May 29, 2009, taking over for Dr. Fred Oien, who retired on April 8, 2009 after 18 years.

Sell came to SDSU after 10 years at the University of Northern Iowa, most recently as the Senior Associate Athletic Director for the Panthers.

Responsible for community relations in the areas of economic development, tourism and the Chamber of Commerce, Sell played a vital role in community engagement for UNI athletics. As president and co-founder of the Cedar Valley Sports and Entertainment Commission, he designed, implemented and managed a fundraising plan that raised more

than \$260,000 to bid and attract statewide, regional and national level events to the local communities.

Sell came to UNI in May 1999 as the Operations Manager for Athletic Facilities before earning a promotion to Assistant Athletic Director for Operations in 2000.

He worked his way up to Associate Athletic Director in 2002, where he began sport management of nine sports and direct oversight of more than 100 employees.

Prior to UNI, Sell worked as the Director of Ticket Operations and Assistant Facility Director and Intramural Director at Villanova from 1995-99, where he oversaw facility capital projects.

Before arriving at Villanova, he worked at Syracuse University and Ohio State.

Sell graduated from Bowling Green State University in 1991, earning a degree in Sport Management. He received his master's in Sport Administration in 1992 from Ohio State, where he worked as a graduate assistant for facilities, summer camps and compliance.

He and his wife, Jennie, have four children - Abbie, Zach, Josh and Eric.

Mylo Hellickson

Faculty Athletic Representative, South Dakota State University
North Dakota State University '64

Dr. Mylo Hellickson has been South Dakota State University's Faculty Athletic Representative to the NCAA since 1977. He also serves as the chairman of the Athletic, Intramural and Recreation Committee on campus as well as serving as interim athletic director from December 2008 to May 29, 2009.

Hellickson returned to the classroom as a professor in agricultural engineering after serving several years as Director of Agricultural Extension at SDSU. He has been on staff at South Dakota State since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of 1982.

Dr. Hellickson's specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture.

A native of Belfield, N.D., Hellickson earned a bachelor's degree in agricultural engineering from North Dakota State University in 1964. He later added a master's degree in agricultural engineering in 1966 from his Alma mater before continuing his education at West Virginia University, where he earned his Ph.D. in engineering in 1969.

Hellickson was presented the North Central Conference Meritorious Service Award at the November 1990 meetings.
